# Welcome to the Going Forward Music Festival

## Bringing people together through music, inclusion and community.

**Going Forward Music Festival** is an established annual event celebrating people with disabilities and additional needs through music, dance, entertainment and community connection.

In 2026, **Adults Move Lincolnshire CIC and Diamondz Dance are taking over the organisation of the festival**, following the decision of the founding team to step away. We are committed to keeping the spirit of the festival alive while making it sustainable for the future and continuing to provide the welcoming, disability-friendly event that the local community knows and loves.

The 2027 festival will bring together **music, live performances, accessible activities, community organisations, food vendors and stalls**, creating a full day where disabled people, families, carers, friends and the wider community can come together, have fun and feel included.

The festival provides something that many disabled adults and families can struggle to find locally: **a large-scale social event where accessibility and inclusion are built into the experience from the beginning.**

# Our 2027 Vision

We want to build on the success of previous years while creating a sustainable model for the future.

Our aim is to:

- Maintain a much-loved inclusive event for the South Lincolnshire community
- Provide a safe, welcoming and accessible environment for disabled people and their families
- Reduce social isolation and create opportunities for friendship and connection
- Give local organisations, community groups and businesses an opportunity to be involved
- Make the festival more family-friendly, with activities and entertainment for different ages
- Develop the event so it can continue for many years to come

Adults Move Lincolnshire and Diamondz Dance already have a strong track record of delivering inclusive community activities, events and funded projects across South Holland. Our work focuses on breaking down barriers to participation and creating opportunities for people to move, connect and feel part of their community.

# Sponsorship Opportunities

We have a range of sponsorship opportunities available to promote your organisation while supporting the Going Forward Music Festival and providing a much loved event for local people with additional needs and disabilities.

Sponsorship is vital to us being able to run the event this year and all the years to come.

In order to be as inclusive as possible; ticket holders can attend with one free career each, an accessible toilet must be present and our signage must be inclusive for all.

## Headline Sponsor | £1,600

As our Headline Festival Sponsor, your business will play a vital role in bringing South Lincolnshire's inclusive music festival to life. Enjoy prominent recognition across our festival promotion, event branding and post-event publicity, while demonstrating your commitment to inclusion, accessibility and community. **More details follow.**

## Entertainment Sponsor | £850

Support the live entertainment that makes Going Forward Music Festival so special. Your sponsorship will help us create an exciting programme of performances for people of all ages and abilities, with opportunities to showcase your business across our entertainment promotion and at the festival itself. **More details follow.**

## Accessible Toilet Sponsor | £400

Support an essential part of making our festival accessible and comfortable for disabled attendees and their families. Your sponsorship will help us provide accessible facilities, demonstrating your business's commitment to removing barriers and making community events more inclusive. **Contact for more details.**

## Braille Signage Sponsor | £200

Your sponsorship will help us provide Braille signage around the festival site, making key information and areas more accessible to blind and visually impaired visitors. Helping us remove barriers and make Going Forward accessible to more people. **Contact for more details.**
